WARD Transport & Logistics

Started in 1931 as a one-truck operation, Ward Transport and Logistics is a regional LTL transportation provider with a network of 21 service centers serving the Mid-Atlantic region. Today the company is 4 generations deep and has grown to a fleet of 600 trucks serving over 10,000 customers daily. Ward prides itself in award-winning customer service and safety programs while maintaining a claim-ratio well below the industry average. At Ward, great service comes from a well-orchestrated business plan focused on meeting customer needs.
